

Post-Operative Garment Support Program Participant Request Form

The Healing Consciousness Foundation (HCF) established the Post-Operative Support Program to provide financial assistance to cancer patients for purchasing items such as lymphedema sleeves, breast prosthesis, and post-surgical undergarments. The HCF is working with The Profile Shop to provide this program.

By signing and dating this form, I am requesting The Profile Shop submit my request for financial assistance to HCF for consideration as a participant in this program.

Please add my contact information to the HCF records.
