

*Your Genes Say A Lot About You*  
A FASHION EVENT FOR LIFE

The *Healing Consciousness Foundation (HCF)*, founded by Dr. Beth Baughman DuPree, is pleased to present the fifth Fashion Event to benefit breast cancer survivors:

**Your Genes Say A Lot About You – A Fashion Event for Life**  
**Saturday, September 27<sup>th</sup>, 2014 at 6:30 pm**  
**Rothman Specialty Hospital/Holy Redeemer Health Care**  
**3300 Tillman Drive**  
**Bensalem, PA 19020**

**Your Genes Say A Lot About You** is hosted by Dr. DuPree and **HCF** to raise awareness of and funding for our mission:

*To improve the quality of life for those at high risk for, or diagnosed with, breast cancer through holistic healing modalities, education, and life style changes.*

The **HCF** provides funding for services that standard health care does not cover, but which are vitally needed by women, men, and their families when faced with a breast cancer diagnosis. **HCF** funded services empower them and their families to reduce their risk factors and realize their full healing potential.

Breast cancer patients face challenges that extend far beyond their diagnosis and treatment. It is our belief that when a patient is fighting for life, they should not be forced to fight to make life a little bit easier during a very difficult time. The **HCF** provides funds to help patients with deductible and out-of-pocket expenses for services including counseling, nutritional support, weight management, exercise training, and meditation. Holistic services such as therapeutic massage and guided imagery for stress and pain are also encouraged. Funds are also given to cover the cost of post-operative items such as lymphedema sleeves, breast prostheses, wigs and post-surgical garments.

Our previous events have always been successful due to the support of the community. This year we are planning a celebration of “Thrivers” who have learned their genetic risk for breast cancer, and have come to understand that “Your Genes Say A Lot About You”. With the help of their physicians and the **HCF**, they are successfully “Living in their Genes”. We will showcase the programs that the **HCF** provides to help Thrivers and their families identify and manage both genetic and lifestyle risk factors. Our fashions will reinforce our focus on what your “genes (jeans)” say about you and are graciously supplied by local merchants including **Priorities For Her, Bernie Robbins Jewelers and Frank DeRito – Fine Men’s Clothier.**

This is to request your support of *The Healing Consciousness Foundation* as a sponsor of our biennial major fundraiser. The attached forms outline the levels of support and associated benefits for you and/or your organization.

You can select your level of sponsorship with the enclosed sheet and return it with your payment option in the enclosed envelope or visit our website at [www.hcfbucks.org](http://www.hcfbucks.org) to make your commitment. To purchase tickets for the event, please visit [www.bidpal.net/hcfgenes](http://www.bidpal.net/hcfgenes). If you have additional questions, please contact Claudie Williams at [cwilliams@hcfbucks.org](mailto:cwilliams@hcfbucks.org) for assistance.

Thank you in advance for your support.

**Beth B. DuPree MD, Founder**
