

REGISTRATION DEADLINE:

September 6, 2021

Space is limited to 25 in-person participants

No Cost to Participants

Advanced registration is required

Transportation and Accommodations provided for all participants.

Comments from Previous Breast Fellow Attendees

"This course went beyond the education of the fellowship to talk about survivorship, which no one really discusses. This is much needed information!"

"Thank you for organizing this course and inviting us to attend. I learned a lot and will certainly use this information for my future patients!"

"Wonderful conference! I'm so glad I went and would definitely recommend it for future fellows! It made me even more excited to start my career! Thank you so much!"

"Excellent course. Covers important topics that are often omitted from traditional fellowship programs."

Healing Consciousness Foundation (HCF)

A non-profit organization founded in 2007 by Dr. Beth DuPree. The HCF assists people dealing with the diagnosis of breast cancer. We lead by example and teach the world that adopting a healthy lifestyle benefits those effected by cancer and prevents the disease process that leads to the formation of breast cancer. We provide: education to physicians, nutritional counseling, weight management, exercise training, meditation, guided imagery, Reiki, massage, acupuncture and other holistic therapies that are essential to overall wellness.

Breast Cancer Survivorship Experience

Nov. 5 – 7, 2021

PRESENTED BY

Venue

the
Logan

The Breast Cancer Survivorship Experience is a unique hybrid opportunity event for you to spend the weekend learning about breast cancer survivorship from both physicians and patients. You will have the opportunity to experience holistic/integrative modalities including meditation and yoga and participate in workshops to see firsthand the benefits of programs offered for healing.

The weekend is filled with powerful and insightful presentations. The event will be a hybrid event with in-person and virtual participation. We will be hosting our event from The Logan located at One Logan Square Philadelphia, PA 19103

(www.theloganhotel.com/)

To Register:
